- is able to use the structures and the vocabulary needed in working, studying and leisure everyday situations
- tell about his/her daily routines (about the family, describing persons, the hobbies, going to the restaurant and shopping, writing an e-mail message)
- knows the basic structures: articles, questions words, demonstrative adjectives and pronouns, prepositions, the Present Tense, The Perfect Tense, The near Future, the numbers 100-1000.

Proficiency level: A1

KIELI24LUT-1005 : 12 ECTS

KR00CC55 Swedish Prep Course Intermediate Level: 3 ECTS

Learning outcomes

The student is able to

- use basic structures
- interact in simple communication situations
- use basic vocabulary related to e.g. social interaction.

KR00CP79 Swedish for Work (technology + business), spoken: 1 ECTS

Learning outcomes

The student is able to

- convey and validate arguments
- use vital field-specific vocabulary
- communicate essential matters about their education, work experience and tasks
- present their field-specific operational environment
- communicate in various working life situations in Swedish

The student completes the Public Administration Language Test in Swedish.

KR00CP82 Speak Swedish!: 3 ECTS

Learning outcomes

The student is able to

- discuss in different everyday situations
- deliver a prepared oral presentation in Swedish
- present one's own field orally
- give and receive feedback.

KR00DA08 : 2 ECTS**KR00DA09 : 2 ECTS****KR00CH08 Swedish for Work (technology), written: 1 ECTS****Learning outcomes**

The student is able to

- use vital field-specific vocabulary
- communicate essential matters about their education, work experience and tasks
- understand and produce various short texts related to studies and working life
- acquire information on their field in Swedish
- use online dictionaries

The student completes the Public Administration Language Test in Swedish.

KIELI24LUT-1007 Finnish as a Second Language: 51 ECTS**K200CE69 Finnish 1: 3 ECTS****Learning outcomes**

The student is able to

- identify and use the course vocabulary and phrases for common everyday situations
- tell about oneself and understand basic questions
- read and write simple sentences related to the course topics.

Proficiency level: A1

K200CE70 Finnish 2: 3 ECTS**Learning outcomes**

The student is able to

- communicate in most common everyday situations
- understand slowly and clearly spoken Finnish when the topic and the vocabulary are familiar
- understand and write a simple message or text
- use the basic vocabulary and some grammatical structures of Finnish.

Proficiency level: A1

K200CH62 Finnish 3: 3 ECTS**Learning outcomes**

The student is able to

- tell about their own housing and neighbourhood.
- understand and write simple messages and announcements related to housing.
- understand and speak words and expressions related to weather.
- ask questions in simple shopping and other situations (e.g., clothing and furniture stores and bus and railway stations).

- read short advertisements, announcements and other texts related to travelling (e.g., timetables).

Proficiency level: A1

Learning outcomes

The student is able to

- ask about the health and describe their own health.
- describe places, things and people.
- understand and write short messages about everyday life (e.g., invitations, requests, messages of absence).
- understand short messages and advertisements related to celebrations and events.
- tell about matters and events using the most common verbs in the past tense.

Proficiency level: A1

K200CP87 Finnish Conversation 1: 3 ECTS

Learning outcomes

The student is able to

- tell about themselves, close relations and everyday life
- act in the most common authentic spoken situations in Finnish
- start and finish a brief dialogue
- use basic vocabulary and common grammatical structures in speech
- understand simple speech on concrete topics.

Proficiency level: A1

K200CQ88 Finnish Conversation 2: 5 ECTS

Learning outcomes

The student is able to

- tell about themselves, their interests, and express opinions on various topics
- act in more versatile authentic spoken situations in Finnish
- follow conversations, start them, and take part in maintaining them
- understand and use various vocabulary and grammatical structures in speech.

Proficiency level A2

K200BX70 Finnish Culture and Language 1: 5 ECTS

Learning outcomes

Proficiency level: A1

The student can speak and write Finnish in everyday situations.

K200BX71 Finnish Culture and Language 2: 5 ECTS

Learning outcomes

Proficiency level: A1

The student can manage in everyday situations in Finnish.

K200CL50 Finnish for Work 1: 5 ECTS**Learning outcomes**

Proficiency level A2

The student

- is familiar with the main stages of the job search process in Finland
- is able to tell about his/her skills
- understands short texts related to job search
- is able to communicate in situations related to job search.

K200CG35 Finnish for Work 2: 5 ECTS**Learning outcomes**

Proficiency level A2

The student is familiar with Finnish working life and work-life policies.

They understand simple texts related to working hours, the working environment and occupational safety.

They are able to tell the basics about their own field.

K200CP86 Finnish for Work 3: 5 ECTS**Learning outcomes**

Proficiency level B1

The student is able to

- communicate orally in different situations at the workplace
- use key telephone, customer service and meeting phrases
- write work-related e-mails

K200CS72 Independent study in Finnish: 2 ECTS**Learning outcomes**

Proficiency level B1

The students will be able to

- read a text in his/her field in order to understand its main idea
- use the most important Finnish concepts in his/her field both in speech and in simple texts
- knows enough vocabulary in his/her field to be able to follow a lesson or lecture in Finnish and understand its main points
- make use of tools to explain new concepts
- can plan language learning independently and assess his/her own progress.

K200CL52 Professional Communication (Finnish as a second language): 4 ECTS

Learning outcomes

The student is able to:

- know how to act comprehensibly and appropriately in various situations related to working life and their field.
- identify, understand and analyze the role of the recipient in different frames of reference related to working life and their field.
- communicate clearly and coherently.
- identify their own level of proficiency in Finnish and know how to improve their language and communication skills independently.
- give and use feedback to improve and enhance their communication and Finnish skills.

Proficiency level: B1-B2

KIELI24LUT-1008 Russian: 12 ECTS

KV00CG83 Russian 1: 3 ECTS

Learning outcomes

Proficiency level: A1.1

Students are able to

- read, write and understand Cyrillics
- read and write short phrases in Russian
- introduce themselves and their family orally and in writing
- use simple expressions in everyday communication

KV00CG84 Russian 2: 3 ECTS

Learning outcomes

Proficiency level: A1.2

Students are able to

- expand the vocabulary used in everyday situations
- know the basic Russian grammatical structures needed in everyday situations
- communicate clearly
- apply different features of Russian culture in various communication situations.

KV00CH21 Russian 3: 3 ECTS

Learning outcomes

Proficiency level: A1.3

Students are able to

- use a limited number of short phrases, key vocabulary and grammatical structures
- express themselves in everyday situations using narrow vocabulary
- pronounce practised phrases intelligibly

- write simple messages

KV00CH22 Russian 4: 3 ECTS

Learning outcomes

Proficiency level: A2.1

Students are able to

- write short messages related to everyday and work situations
- speak about everyday and concrete work issues in various situations using narrow vocabulary and simple phrases.
- apply features of Russian culture in various communication situations.

KIELI24LUT-1009 : 14 ECTS

KR00CP82 Speak Swedish!: 3 ECTS

Learning outcomes

The student is able to

- discuss in different everyday situations
- deliver a prepared oral presentation in Swedish
- present one's own field orally
- give and receive feedback.

KR00CQ30 Swedish Prep Course Intermediate Level (MOOC): 3 ECTS

Learning outcomes

The student is able to

- use basic structures
- interact in simple communication situations
- use basic vocabulary related to e.g. social interaction.

KR00CP84 Social media in Swedish: 3 ECTS

Learning outcomes

The student will be able to

- compare different social media in Swedish
- find interesting content in Swedish-language social media
- comment on social media posts in Swedish
- produce Swedish-language content for social media.

KR00CP79 Swedish for Work (technology + business), spoken: 1 ECTS

Learning outcomes

The student is able to

- convey and validate arguments
- use vital field-specific vocabulary
- communicate essential matters about their education, work experience and tasks

- present their field-specific operational environment
- communicate in various working life situations in Swedish

The student completes the Public Administration Language Test in Swedish.

KR00CP80 Swedish for Work (technology + business), written: 1 ECTS

Learning outcomes

The student is able to

- use vital field-specific vocabulary
- communicate essential matters about their education, work experience and tasks
- understand and produce various short texts related to studies and working life
- acquire information on their field in Swedish
- use online dictionaries

- Reach an intermediate level in Chinese proficiency, which is approximately equivalent to Level B2 in the Common European Framework of Reference for Languages.

KIELI24LUT-1034 : 3 ECTS

KE00DA03 English for the Hebei University of Technology: 3 ECTS

Learning outcomes

Students are able to

- communicate clearly and effectively in different generic and field-specific studying situations both orally and in writing
- find, evaluate and use information effectively
- function collaboratively in Finnish university culture.

KIELI24LUT-1011 Online Campus: 256 ECTS

KIELI24LUT-1012 Finnish Language and Communication (as a Mother

Tongue): 8 ECTS**KS00CP27 Correct Finnish and support for writing: 3 ECTS****Learning outcomes**

The student is able to

- use basic rules of language and text structures and apply them in formal texts
- write formal texts based on references
- add references according to the LAB guidelines.

KS00CL74 Practices in Organizational Communication: 5 ECTS**Learning outcomes**

The student will be able to

- identify the basic concepts of communication
- develop a communication plan
- manage stakeholder communication and media coverage
- act as a first person in different communication situations
- master the principles of crisis communication.

KIELI24LUT-1013 English Language and Communication: 40 ECTS**KE00CC64 English Prep Course: 3 ECTS****Learning outcomes**

Proficiency level: B1.

The student is able to

- use basic grammar sufficiently well to manage in professional language studies
- use English in everyday situations
- discuss and write about familiar topics.

KE00BZ84 English for Professional Development (Business): 4 ECTS**Learning outcomes**

Proficiency level: B2

Students are able to

- communicate clearly and effectively in different generic and field-specific work place situations both orally and in writing
- find, evaluate and use information effectively
- function collaboratively in international working environments.

KE00BZ85 English for Professional Development (Technology): 4 ECTS**Learning outcomes**

Proficiency level: B2

Students are able to

- communicate clearly and effectively in different generic and field-specific work place situations both orally and in writing
- find, evaluate and use information effectively
- function collaboratively in international working environments.

KE00BZ83 English for Professional Development (ESTIEM): 4 ECTS

Learning outcomes

Proficiency level: B2

Students are able to communicate clearly and effectively in different generic and field-specific work place situations both orally and in writing; find, evaluate and use information effectively and function collaboratively in international working environments.

KE00CG82 Online Presentations: 3 ECTS

Learning outcomes

Proficiency level: B2

The student is able to:

- create and deliver professional online presentations in English
- increase presentation confidence by finding their own presenting style
- use different techniques and tools for online public speaking.

KE00CE05 Online Meetings and Discussions: 3 ECTS

Learning outcomes

Proficiency level: B2

Students are able to:

- Demonstrate a familiarity with meeting documents and proceedings
- Communicate in online meetings, negotiations and discussions using associated vocabulary
- Evaluate the effectiveness of different types of online meetings and discussions
- Demonstrate an awareness of considerations that are particular to online meetings, negotiations and discussions

KE00BX35 English Pronunciation: 1 ECTS

Learning outcomes

Proficiency level: B2

The student is able to:

- describe the phonetic features of English
- understand the effects and importance of intonation and stress
- apply intonation and stress in their own speech
- know the phonemes of English and how to practice pronunciation independently
- understand and identify the differences between various accents and dialects of English.

KE00CG79 Professional Reading: 3 ECTS

Learning outcomes

Proficiency level: B2

Students are able to

- comprehend, analyze and summarize authentic professional texts in English
- learn and master strategies for expanding professional vocabulary
- use strategies for effective reading.

KE00CG81 Business Writing: 3 ECTS

Learning outcomes

Proficiency level: B2

The student is able to:

- interpret business transaction documents
- use field-specific business terminology and style of writing
- prepare clear and accurate business messages in correct English
- prepare explicit and effective texts for use within and outside the organization, and to meet the communicative needs.

KE00BZ81 Academic Writing: 3 ECTS

Learning outcomes

Proficiency level: B2-C1

Students are able

- to identify the characteristics of academic writing
- to demonstrate their proficiency in applying academic writing conventions
- to demonstrate their ability in critical thinking and analysis
- to demonstrate ability in collaborative situations
- to produce a 6-page academic paper in pairs or in groups of three.

KE00CG33 Writing for Digital Media: 4 ECTS

Learning outcomes

Proficiency level: B2

The student is able to

- apply writing strategies to become a more effective writer for digital media
- gather, analyze, and organize information to produce audience-oriented digital writing
- demonstrate proper use of English for digital writing
- participate in civil online discourse.

KE00CQ38 Introduction to Copywriting: 2 ECTS

Learning outcomes

Proficiency level: B2

The student is able to:

- understand the main concepts of copywriting
- analyze and comprehend the basics of successful copy that sells
- write copy for sales purposes in some common formats (sales letters, adverts, product descriptions, etc.)

KE00DB63 Copywriter´s Portfolio: 2 ECTS

Learning outcomes

The student is able to:

- Write practical copy based on a professional brief
- Apply copywriting practices learned previously
- Produce a coherent and professional looking copywriter's portfolio

KE00CX55 Responsible Communication: 1 ECTS

Learning outcomes

The student is able to

- identify the role of communication in promoting social responsibility and sustainable development
- critically analyze communication messages for ethical implications
- apply responsible communication strategies for creating effective product descriptions.

KIELI24LUT-1014 Swedish Intermediate Level: 20 ECTS

KR00CQ30 Swedish Prep Course Intermediate Level (MOOC): 3 ECTS

Learning outcomes

The student is able to

- use basic structures
- interact in simple communication situations
- use basic vocabulary related to e.g. social interaction.

KR00CC55 Swedish Prep Course Intermediate Level: 3 ECTS

Learning outcomes

The student is able to

- use basic structures
- interact in simple communication situations
- use basic vocabulary related to e.g. social interaction.

KR00CP81 Write Swedish!: 3 ECTS

Learning outcomes

The student is able to:

- write different texts related to their own field, working life and current issues
- express and justify their opinions

- use versatile language structures
- acquire information from Swedish sources.

KR00CP84 Social media in Swedish: 3 ECTS

Learning outcomes

The student will be able to

- compare different social media in Swedish
- find interesting content in Swedish-language social media
- comment on social media posts in Swedish
- produce Swedish-language content for social media.

KR00CR62 Business Swedish: 3 ECTS

Learning outcomes

Level: B1-B2

Students are familiar with the basic skills required at work in Swedish, in addition, they can apply Swedish source material in pursuit of further information and are able to develop their skills in Swedish individually.

KR00DA09 : 2 ECTS

KR00CP79 Swedish for Work (technology + business), spoken: 1 ECTS

Learning outcomes

The student is able to

- convey and validate arguments
- use vital field-specific vocabulary
- communicate essential matters about their education, work experience and tasks
- present their field-specific operational environment
- communicate in various working life situations in Swedish

The student completes the Public Administration Language Test in Swedish.

KR00DA08 : 2 ECTS

KIELI24LUT-1015 Spanish: 18 ECTS

KP00CK94 Spanish 1: 3 ECTS

Learning outcomes

After the course the student is able to

- use the structures and the vocabulary needed while presenting oneself in working and studying situations
- can present himself and tell about himself in spoken and written way
- knows the basic rules of pronunciation
- knows the basic differences of the formal and the informal communication

- is able to ask questions and tell opinions.
- knows the basic structures: the Present Tense, the articles, the prepositions, the personal pronouns, the structures that indicates the possession, the negation, the interrogative sentence, the numbers 0-100.

KP00CH26 Spanish 2: 3 ECTS

Learning outcomes

After the course the student

- is able to use the structures and the vocabulary needed in working, studying and leisure everyday situations
- tell about his/her daily routines (about the family, describing persons, the hobbies, going to the restaurant and shopping, writing an e-mail message)
- knows the basic structures: articles, questions words, demonstrative adjectives and pronouns, prepositions, the Present Tense, The Perfect Tense, The near Future, the numbers 100-1000.

Proficiency level: A1

KP00CH27 Spanish 3: 3 ECTS

Learning outcomes

After the course the student

- is able to use tell about the living, to describe the appearance of persons and things, to compare things
- can tell about the past events
- knows the structures: adjectives, the comparison, the direct and indirect object pronouns, the reflexive verbs, the gerund, the numbers 1000 -, the ordinary numbers.

Proficiency level: A1

KP00CP90 Spanish 6: 3 ECTS

Learning outcomes

After the course, the student

- knows the forms and the use of the subjunctive mood
- can tell about the past events by using both imperfect and preterite tenses
- knows the characteristics about the Spanish-speaking America and the main differences between the Spanish spoken in Spain and the Spanish spoken in America
- can discuss the topics concerning the society and the work life.

KP00BX61 Spanish for Work 1: 3 ECTS

Learning outcomes

After the course the student

- is able to use the structures and the vocabulary needed in working interaction situations
- tell about the jobs and about the working environment and present the basic activities of an enterprise
- can write formal messages

- can write a CV
- knows how to tell about the future and past events
- knows the structures: the pronouns, the present tense, the imperfect tenses, the future, the polite requests (the imperative)

Proficiency level: A2

KP00BX62 Spanish for Work 2: 3 ECTS

Learning outcomes

After completing the course, student

- is able to communicate mainly written in Spanish in basic business situations and understand the business culture of the Spanish speaking countries.
- is able to tell according to choice about, business culture, business communication, meetings, banking, applying for a job in the Spanish speaking world.
- is able to use conditional, subjunctive and future.

Proficiency level: A2

KIELI24LUT-1016 French: 14 ECTS

KF00CH32 French 3: 3 ECTS

Learning outcomes

After completing the course, the student

- is able to use the basic structures and vocabulary needed in work and study life situations
- can tell about eating habits and order in a restaurant
- is able to tell about past events, describe the appearance of people and things and compare things,
- knows the difference between the formal and informal communication
- knows the structures: articles, adjectives, comparison of adjectives, prepositions, personal pronouns, present, passé composé, partitive, quantitative expressions, numerals 1000 -, ordinal numbers.

Proficiency level: A1

KF00CG43 French for Work 1: 3 ECTS

Learning outcomes

After the course the student

- is able to use the structures and the vocabulary needed in working interaction situations
- tell about the jobs and about the working environment
- is able to present the basic activities of an enterprise and describe the activities of an organization
- can write formal messages
- can write a CV
- knows how to tell about the future and past events
- knows the structures: the pronouns, the present, the imperfect tense and the future form.

Proficiency level: A2

KF00CG44 French for Work 2: 3 ECTS

Learning outcomes

After completing the course, the student

- is able to use the structures and vocabulary necessary in the most important communication situations of working life, mainly written.
- is able to present optionally e.g. company / organization and products, give an elevator speech, tell about entrepreneurship, write a memo.
- is able to use subjunctive and conditional.

Proficiency level: A2

KF00CL06 Le monde francophone: 5 ECTS

Learning outcomes

After the course, the student

- knows the countries that belong to the Francophonie or the French-speaking world and has familiarized with some of them
- can tell about the tourism, the economics and the culture of different French speaking countries
- knows the forms and the use of the subjunctive mood
- can tell about the past events by using the imperfect and the perfect tenses.

KIELI24LUT-1017 German: 24 ECTS

KD00CH39 German 1: 3 ECTS

Learning outcomes

The students will

- understand slow and clear speech related to course topics
- are able to communicate orally and in writing in simple everyday situations, such as introductions, telling about oneself and reacting e.g. in dining situations
- are able to use the most frequent basic structures

CEFR level A1

KD00CH40 German 2: 3 ECTS

Learning outcomes

The students will

- understand slow and clear speech related to course topics
- are able to communicate orally and in writing in simple everyday situations, such as telling about the family, free time and health
- are able to use the most frequent basic structures.

CEFR level A1

KD00CH41 German 3: 3 ECTS

Learning outcomes

The students will

- understand clear speech related to course topics
- are able to communicate orally and in writing in simple everyday situations, such as telling about the home, work and past events
- are able to use the most frequent basic structures.

CEFR level A1

KD00CH42 German for Work 1: 3 ECTS

Learning outcomes

The students will

- understand speech and texts related to occupations, work and job search
- are able to tell about themselves and their skills
- are able communicate in basic situations related to job search.

CEFR level A2

KD00CH43 German for Work 2: 3 ECTS

Learning outcomes

The students will

- be able to tell about the company and its products and services
- be able to communicate in sales and purchase situations
- be familiar with features related to German business life and trade.

Proficiency level A2

KD00CT54 German for Work 3: 3 ECTS

Learning outcomes

The student is able to communicate in oral interaction situations at the workplace related to e.g. company visits. The student is able to compose work-related emails. The student knows the key features of German working life.

KD00BX51 Business German: 3 ECTS

Learning outcomes

Proficiency level: B1

The students is able to

- understand German texts related to business, economics and sustainable development and masters the vocabulary related to the topics
- tell about the activities and economic development of a company both orally and in writing
- tell some key facts about the economy of their own country

KD00CZ29 Spoken German Skills: 3 ECTS

Learning outcomes

Proficiency level A2

The students will

- be able to tell about concrete topics and react fairly spontaneously in a conversation
- be able to express their opinion
- be able to maintain a simple discussion and request clarification
- Improve their pronunciation.

KIELI24LUT-1018 Finnish as a Second Language: 54 ECTS

K200CE69 Finnish 1: 3 ECTS

Learning outcomes

The student is able to

- identify and use the course vocabulary and phrases for common everyday situations
- tell about oneself and understand basic questions
- read and write simple sentences related to the course topics.

Proficiency level: A1

K200CE70 Finnish 2: 3 ECTS

Learning outcomes

The student is able to

- communicate in most common everyday situations
- understand slowly and clearly spoken Finnish when the topic and the vocabulary are familiar
- understand and write a simple message or text
- use the basic vocabulary and some grammatical structures of Finnish.

Proficiency level: A1

K200CH62 Finnish 3: 3 ECTS

Learning outcomes

The student is able to

- tell about their own housing and neighbourhood.
- understand and write simple messages and announcements related to housing.
- understand and speak words and expressions related to weather.
- ask questions in simple shopping and other situations (e.g., clothing and furniture stores and bus and railway stations).
- read short advertisements, announcements and other texts related to travelling (e.g., timetables).

Proficiency level: A1

Proficiency level: A1

K200CP87 Finnish Conversation 1: 3 ECTS

Learning outcomes

The student is able to

- tell about themselves, close relations and everyday life
- act in the most common authentic spoken situations in Finnish
- start and finish a brief dialogue
- use basic vocabulary and common grammatical structures in speech
- understand simple speech on concrete topics.

Proficiency level: A1

K200CQ88 Finnish Conversation 2: 5 ECTS

Learning outcomes

The student is able to

- tell about themselves, their interests, and express opinions on various topics
- act in more versatile authentic spoken situations in Finnish
- follow conversations, start them, and take part in maintaining them
- understand and use various vocabulary and grammatical structures in speech.

Proficiency level A2

K200BX70 Finnish Culture and Language 1: 5 ECTS

Learning outcomes

Proficiency level: A1

The student can speak and write Finnish in everyday situations.

K200BX71 Finnish Culture and Language 2: 5 ECTS

Learning outcomes

Proficiency level: A1

The student can manage in everyday situations in Finnish.

K200CL50 Finnish for Work 1: 5 ECTS

Learning outcomes

Proficiency level A2

The student

- is familiar with the main stages of the job search process in Finland
- is able to tell about his/her skills
- understands short texts related to job search
- is able to communicate in situations related to job search.

K200CG35 Finnish for Work 2: 5 ECTS

Learning outcomes

Proficiency level A2

The student is familiar with Finnish working life and work-life policies.

They understand simple texts related to working hours, the working environment and occupational safety.

They are able to tell the basics about their own field.

K200CP86 Finnish for Work 3: 5 ECTS

Learning outcomes

Proficiency level B1

The student is able to

- communicate orally in different situations at the workplace
- use key telephone, customer service and meeting phrases
- write work-related e-mails

K200CS72 Independent study in Finnish: 2 ECTS

Learning outcomes

Proficiency level B1

The students will be able to

- read a text in his/her field in order to understand its main idea
- use the most important Finnish concepts in his/her field both in speech and in simple texts
- knows enough vocabulary in his/her field to be able to follow a lesson or lecture in Finnish and understand its main points
- make use of tools to explain new concepts
- can plan language learning independently and assess his/her own progress.

K200CU41 Suomi with Love 1: 3 ECTS

Learning outcomes

The student is able to

- identify and use the course vocabulary and phrases for common everyday situations

- tell about oneself and understand basic questions
- read and write simple sentences related to the course topics.

Proficiency level: A1

K200CV94 Finnish: 4 ECTS

Learning outcomes

The student is able to

- identify and use the course vocabulary and phrases for common everyday situations
- tell about oneself and understand basic questions
- read and write simple sentences related to the course topics.

Proficiency level: A1

KIELI24LUT-1019 Russian: 36 ECTS

KV00CG83 Russian 1: 3 ECTS

Learning outcomes

Proficiency level: A1.1

Students are able to

- read, write and understand Cyrillics
- read and write short phrases in Russian
- introduce themselves and their family orally and in writing
- use simple expressions in everyday communication

KV00CG84 Russian 2: 3 ECTS

Learning outcomes

Proficiency level: A1.2

Students are able to

- expand the vocabulary used in everyday situations
- know the basic Russian grammatical structures needed in everyday situations
- communicate clearly
- apply different features of Russian culture in various communication situations.

KV00CH21 Russian 3: 3 ECTS

Learning outcomes

Proficiency level: A1.3

Students are able to

- use a limited number of short phrases, key vocabulary and grammatical structures
- express themselves in everyday situations using narrow vocabulary
- pronounce practised phrases intelligibly
- write simple messages

KV00CH22 Russian 4: 3 ECTS

Learning outcomes

Proficiency level: A2.1

Students are able to

- write short messages related to everyday and work situations
- speak about everyday and concrete work issues in various situations using narrow vocabulary and simple phrases.
- apply features of Russian culture in various communication situations.

KV00CH23 Russian for Technology: 1 ECTS

Learning outcomes

Proficiency level: A1

The student is able to

- recognize basic terminology and grammatical structures used in their field of study
- use the basic terminology of their field

KV00CN64 Business Russian: 1 ECTS

Learning outcomes

Proficiency level: A1.1

The student is able to

- recognize basic terminology and grammatical structures used in their field of study
- use the basic terminology of their field

KV00CQ10 Russian invoices for accountants: 1 ECTS

Learning outcomes

Proficiency level: A1

The student is able to

- read the Cyrillic alphabets
- with a dictionary understand information written on invoices in Russian.

KV00BX38 Russian at Work 1: 3 ECTS

Learning outcomes

Proficiency level: A2

Students are able to

- use grammatically correct Russian vocabulary needed at work
- speak and write Russian in the most common working life situations.

KV00BX39 Russian at Work 2: 3 ECTS

Learning outcomes

Proficiency level: B1

Students are able to

- use grammatical structures and vocabulary needed at work
- communicate in spoken and written working life situations.

KV00CH24 Russian Grammar Review: 3 ECTS

Learning outcomes

Proficiency level:A2-B1

Students are be able to

- use Russian verbs in the past, present and future tenses
- recognize the imperfective and perfective verbs
- recognize the Russian cases and use them in a variety of phrases

KV00BX42 Presenting in Russian: 3 ECTS

Learning outcomes

Proficiency level: B1-B2

Students are be able to

- give various effective presentations for professional purposes in Russian.

KV00BX40 Conversation in Russian: 2 ECTS

Learning outcomes

Proficiency level B1.2.

The student can

- talk about the topics of the course, e.g. about environment, sports and travel.

KV00CG25 Professional Reading in Russian: 3 ECTS

Learning outcomes

Proficiency level: B1.1

Students can

- understand texts on business, technology and/or health care
- use the basic Russian business, technological and/or health care terminology

KV00CG32 Professional Communication Skills in Russian for Native Russian Speakers: 4 ECTS

Learning outcomes

Proficiency level: C1

Native Russian speakers are able to

- use formal and refined written and spoken Russian language in professional communication context.

KIELI24LUT-1020 Japanese: 26 ECTS

KJ00BX73 Japanese 1: 5 ECTS

Learning outcomes

Proficiency level: A1

The student is able to use elementary Japan. NB: Teaching is in Finnish.

KJ00CR08 Japanese hiragana and katakana characters: 2 ECTS

Learning outcomes

The student can read and write hiragana and katakana characters.

This course is taught in Finnish and in Japan, not in English.

KJ00BX74 Japanese 2: 5 ECTS

Learning outcomes

Proficiency level: A1

The student is able to use elementary Japan. NB: Teaching is in Finnish.

KJ00CD96 Japanese kanji 1: 1 ECTS

Learning outcomes

The students can use 70 kanji characters.

NB. the course is taught in Finnish

KJ00CD97 Japanese kanji 2: 1 ECTS

Learning outcomes

The student will learn 50 new characters, altogether they are able to use 120 kanji characters.

KJ00CV53 Japanese 3: 5 ECTS

Learning outcomes

Proficiency level: A2

The student is able to use elementary Japan. NB: Teaching is in Finnish.

KJ00DA06 Japanese 4: 5 ECTS

Learning outcomes

This course is taught in Finnish.

The student will be able to

- communicate orally and in writing in a variety of contexts, including topics related to study life and everyday life, e.g. clothes shopping, studying, emotions, mood and giving and receiving.
- know the different speech styles in Japanese.
- understand in greater depth the Japanese culture of manners.

KJ00DC25 : 1 ECTS**KJ00DC26 : 1 ECTS****KIELI24LUT-1021 Intercultural Competence: 16 ECTS****KMR0524 Intercultural Communication: 3 ECTS****Learning outcomes**

Students will be able to work with international business colleagues and partners without major cultural conflicts.

KM00CO04 Finnish Culture and Society: 3 ECTS**Learning outcomes**

The student is able to

- work and live in Finland or with the Finns without major cultural conflicts.
- use the basic information on Finnish history, society, design, welfare state, identity and nature etc. to understand values, customs and habits in Finland.
- get deeper cultural experiences in Finland through functional and experiential activities and visits related to Finnish culture.

KE00CH94 Diversity Management and Global Citizenship: 5 ECTS**Learning outcomes**

The student is able to:

- understand different concepts of diversity and inclusion in the workplace and their impact on organizations
- understand cultural differences in management and leadership
- recognize the benefits of managing diversity in organizations
- lead diverse individuals and teams
- understand global impacts of their own actions and the importance of a global mindset in today's world.

The student is able to:

- understand own cultural background and its effect on behaviour and communication.
- develop intercultural competence and intercultural communication skills to be able to act effectively in global organizations and cross-cultural environments.
- recognize cross-cultural differences and work with them.
- understand culture adaptation and adjustment for exchange purposes.
- understand the basic concepts of global citizenship and diversity.

KIELI24LUT-1022 Lappeenranta campus: 232 ECTS

KIELI24LUT-1023 Finnish Language and Communication (as a Mother Tongue): 22 ECTS

KS00CL75 Communication and Popularization of Specialist Knowledge: 3 ECTS

Learning outcomes

Students will learn about the popularisation of science and knowledge, i.e. science and expertise communication that is widely understood. They will become familiar with the possibilities, platforms, working methods, techniques and problems of popularising topics in their field. They will be able to find and select the appropriate forum for their topic and to communicate on issues in their field in an interesting and accessible way. They will be able to critically evaluate general scientific and technical communication.

KS00BX33 Finnish Language Test for Public Administration Employees: 2 ECTS

Learning outcomes

Proficiency level: B1 - B2.1

The student, whose mother tongue is Swedish, completes the Public Administration Language Test in Finnish.

KS00CH13 Professional Communication (Business and Management): 3 ECTS

Learning outcomes

Students will be able to function appropriately and skillfully in workplace communication and interaction situations as an academic expert in their field. They can take into account the requirements of the recipient, the situation and the field, and communicate in a structured, understandable and convincing way. They are able and willing to develop their Finnish language and communication skills as part of their professional competence.

Students are able to work purposefully and responsibly as members of a group.

KS00CP27 Correct Finnish and support for writing: 3 ECTS

Learning outcomes

The student is able to

- use basic rules of language and text structures and apply them in formal texts
- write formal texts based on references
- add references according to the LAB guidelines.

KS00CH06 Professional Communication (Technology): 3 ECTS

Learning outcomes

Students will be able to function appropriately and skillfully in workplace communication and interaction situations as an academic expert in their field. They can take into account the requirements of the recipient, the situation and the field, and communicate in a structured, understandable and convincing way. They are able and willing to develop their Finnish language and communication skills as part of their professional competence.

Students are able to work purposefully and responsibly as members of a group.

KS00CB88 Academic Writing in Finnish: 2 ECTS

Learning outcomes

Proficiency level: C2

The student is able to write and evaluate scientific Finnish texts related to their own field. They know what academic writing in Finnish requires, how academic text is constructed and how it is finalized.

KS00CA42 Academic Writing in Finnish (Business): 3 ECTS

Learning outcomes

Proficiency level: C2

The student is able to write and evaluate scientific Finnish texts related to their own field. They know what academic writing in Finnish requires, how academic text is constructed and how it is finalized.

KS00CH14 Professional Communication (Industrial Engineering and Management): 3 ECTS

Learning outcomes

Students will be able to function appropriately and skillfully in workplace communication and interaction situations as an academic expert in their field. They can take into account the requirements of the recipient, the situation and the field, and communicate in a structured, understandable and convincing way. They are able and willing to develop their Finnish language and communication skills as part of their professional competence.

Students are able to work purposefully and responsibly as members of a group.

KIELI24LUT-1024 English Language and Communication: 26 ECTS

KE00BZ84 English for Professional Development (Business): 4 ECTS

Learning outcomes

Proficiency level: B2

Students are able to

- communicate clearly and effectively in different generic and field-specific work place situations both orally and in writing
- find, evaluate and use information effectively
- function collaboratively in international working environments.

KE00BZ85 English for Professional Development (Technology): 4 ECTS**Learning outcomes**

Proficiency level: B2

Students are able to

- communicate clearly and effectively in different generic and field-specific work place situations both orally and in writing
- find, evaluate and use information effectively
- function collaboratively in international working environments.

KE00BZ83 English for Professional Development (ESTIEM): 4 ECTS**Learning outcomes**

Proficiency level: B2

Students are able to communicate clearly and effectively in different generic and field-specific work place situations both orally and in writing; find, evaluate and use information effectively and function collaboratively in international working environments.

KE00BZ82 Professional Meetings and Discussions: 4 ECTS**Learning outcomes**

Proficiency level: C1

The students are able to:

- develop their English skills to the level whereby they are able to follow and contribute to global developments in general and also in their own fields, and capable of communicating effectively with other professionals.

KE00CQ81 Effective Presentations: 2 ECTS**Learning outcomes**

Proficiency level: B2

Students are able to

- plan, prepare and execute a persuasive and engaging presentation
- use intonation and stress to amplify their message
- use various delivery techniques such as pacing, chunking and repetition
- design and use visual materials effectively in their presentation.

KE00BZ88 English Clinic for Researchers and Doctoral Students: 5 ECTS

Learning outcomes

Proficiency level: C2

The aim of the course is to assist doctoral students and researchers with the writing and preparation of a paper for publication in a journal or at a conference. On successful completion of the course, students will have an improved understanding of the language of the genre of academic writing – structure, style, unity, cohesion etc.; the skills to approach the writing of academic articles effectively; and will have submitted and published a paper in a journal or at a conference.

KE00DA03 English for the Hebei University of Technology: 3 ECTS

Learning outcomes

Students are able to

- communicate clearly and effectively in different generic and field-specific studying situations both orally and in writing
- find, evaluate and use information effectively
- function collaboratively in Finnish university culture.

KIELI24LUT-1025 Swedish Language and Communication: 31 ECTS

KR00CC55 Swedish Prep Course Intermediate Level: 3 ECTS

Learning outcomes

The student is able to

- use basic structures
- interact in simple communication situations
- use basic vocabulary related to e.g. social interaction.

KR00CQ30 Swedish Prep Course Intermediate Level (MOOC): 3 ECTS

Learning outcomes

The student is able to

- use basic structures
- interact in simple communication situations
- use basic vocabulary related to e.g. social interaction.

KR00CP81 Write Swedish!: 3 ECTS

Learning outcomes

The student is able to:

- write different texts related to their own field, working life and current issues
- express and justify their opinions
- use versatile language structures
- acquire information from Swedish sources.

KR00CH07 Swedish for Work (technology), spoken: 1 ECTS

Learning outcomes

- convey and validate arguments
- use vital field-specific vocabulary
- communicate essential matters about their education, work experience and tasks
- present their field-specific operational environment
- communicate in various working life situations in Swedish

The student completes the Public Administration Language Test in Swedish.

KR00CH08 Swedish for Work (technology), written: 1 ECTS

Learning outcomes

The student is able to

- use vital field-specific vocabulary
- communicate essential matters about their education, work experience and tasks
- understand and produce various short texts related to studies and working life
- acquire information on their field in Swedish
- use online dictionaries

The student completes the Public Administration Language Test in Swedish.

KR00CH10 Swedish for Work (business), spoken: 1 ECTS

Learning outcomes

The student is able to

- convey and validate arguments
- use vital field-specific vocabulary
- communicate essential matters about their education, work experience and tasks
- present their field-specific operational environment
- communicate in various working life situations in Swedish

The student completes the Public Administration Language Test in Swedish.

KR00CH09 Swedish for Work (business), written: 1 ECTS

Learning outcomes

The student is able to

- use vital field-specific vocabulary
- communicate essential matters about their education, work experience and tasks
- understand and produce various short texts related to studies and working life
- acquire information on their field in Swedish
- use online dictionaries

The student completes the Public Administration Language Test in Swedish.

KR00CH11 Swedish for Work (integrated), spoken: 1 ECTS

Learning outcomes

The student is able to

- convey and validate arguments
- use vital field-specific vocabulary
- communicate essential matters about their education, work experience and tasks
- present their field-specific operational environment
- communicate in various working life situations in Swedish.

The student completes the Public Administration Language Test in Swedish.

KR00CH12 Swedish for Work (integrated), written: 1 ECTS**Learning outcomes**

The student is able to

- use vital field-specific vocabulary
- communicate essential matters about their education, work experience and tasks
- understand and produce various short texts related to studies and working life
- acquire information on their field in Swedish
- use online dictionaries.

The student completes the Public Administration Language Test in Swedish.

KR00CP79 Swedish for Work (technology + business), spoken: 1 ECTS**Learning outcomes**

The student is able to

- convey and validate arguments
- use vital field-specific vocabulary
- communicate essential matters about their education, work experience and tasks
- present their field-specific operational environment
- communicate in various working life situations in Swedish

The student completes the Public Administration Language Test in Swedish.

KR00CP80 Swedish for Work (technology + business), written: 1 ECTS**Learning outcomes**

The student is able to

- use vital field-specific vocabulary
- communicate essential matters about their education, work experience and tasks
- understand and produce various short texts related to studies and working life
- acquire information on their field in Swedish
- use online dictionaries

The student completes the Public Administration Language Test in Swedish.

KR00CR62 Business Swedish: 3 ECTS**Learning outcomes**

Level: B1-B2

Students are familiar with the basic skills required at work in Swedish, in addition, they can apply Swedish source material in pursuit of further information and are able to develop their skills in Swedish individually.

KR00CL24 Swedish for Beginners: 3 ECTS

Learning outcomes

The student is able to

- identify and use everyday expressions and basic phrases
- communicate in simple and routine situations
- read and write simple sentences related to the course topics.

KR00DA08 : 2 ECTS

KR00DA09 : 2 ECTS

KR00DA10 Swedish for Work (business), written: 2 ECTS

Learning outcomes
